Meet Anoop, a college student on the left. Dr. P the professor in middle, and Ajay, a senior school student at right.

Anoop and Ajay are full of questions. These angry young men are sure Dr. P does not have the answers. In fact, they are sure nobody has the answers.

Surprisingly, Dr. P only has only questions most of the time. Let us see what happens when there are too many questions from Dr. P instead of answers!

Good morning Dr. P! Can I have a few minutes with you?

For me too Dr P!

Of course. Of course, I have all the time that both of you charming young men might want from me!

Let me be the first to ask, being the juniormost: Why is it that people always tell me I am wrong? After all, I know much more than what they think I know!

Oh, you know a lot?  
How much do you  
really know?

I know much more than any  
of my critics care to admit.

In fact, in this world of internet, I know practically EVERYTHING that one can know. My knowledge is literally infinite! Everyone should accept it!

I guess you need to first PROVE to them that you know everything.

So, if you are as wise and all-knowing as you claim, then you should produce a multi-volume Encyclopaedia so that everyone realizes that you really know everything!

Come on, WHEN do you plan to offer such a **PROOF**?

Well!  
I mean,  
You see,  
It is like!  
I guess I do  
Not know  
THAT much!

Then what about  
your claim Ajay  
that you know  
EVERYTHING!

I guess that was a hasty claim. I  
take it back Dr. P

Ajay, you told  
everyone says you  
are wrong. Has your  
false claim to know  
EVERYTHING made  
them do it?

I guess that is a  
possible reason!

Ajay is only a kid. He makes many stupid claims. But look at me. I am in college, but still people tell me I am wrong.

That is interesting. Let us hear your story now!

I'm no kid. I'm in college. I can do ANYTHING I want. See, I have been in sitting posture without any chair!

What's so great about that Anoop?

I've been sitting in this impossible posture for ten minutes. **NOBODY** can do it. I can do **ANYTHING**!

Are you sure Anoop?

I am confident Dr. P. If I can do this impossible job, I can do **ANYTHING** in the world!

Are you **SURE** Anoop?

I'm sure and confident I can do ANYTHING you ask me to do!

Er...  
Then can you sit like that for ten HOURS instead of ten minutes?

Er... Who can do that? Are you joking Dr. P?

Not joking at all. YOU only said you can do ANYTHING and I wanted to know.

Er ...  
I guess I cannot do that!

If that is true, then what about your CLAIM that you can do ANYTHING?

I guess that I was mistaken and also a bit blind about my capacity.

Do you think your boasting might have made people tell you that you are wrong?

I guess that was one of the reasons. In future I will stop pretending to be god Atlas of the fables.

Dr. P, can I be the next to ask you a question?

Oh,  
certainly!  
Go ahead  
with your  
question!

Dr. P, I want to be the master of my own destiny.  
Everyone laughs when I say that. What about you?

I never mock  
anyone.  
However, I  
wonder Ajay if  
you are serious  
that you want  
to be the  
master of your  
own destiny.

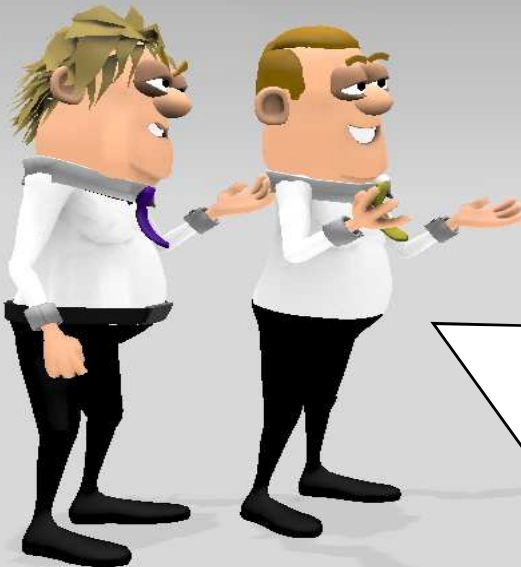

I'm very serious Dr. P that I want to control and master my destiny without any interference!

Then let me ask!  
Would you wear a  
yellow T-shirt to  
school if I gave  
one to you?

Definitely not! Yellow T-shirts are out of fashion and everyone would think I was too primate to wear it!

Hmm ...  
That does not  
look like a  
self-made and  
self-confident  
young man,  
with destiny in  
his own  
hands, to me!

How can I go against the society? They will simply laugh me away and I will be totally isolated!

That looks very very interesting to me!

Are you saying that you cannot choose the colour of your shirt but that you can control your entire destiny? Isn't that strange? Is that logical?

I guess my claim to control my destiny does not sound much logical to me now – after you asked all these questions!

I had a great time with you Anoop and Ajay. Now both of you must excuse me. I need to prepare a lecture I have to deliver soon.

We will continue with your questions soon!

Be assured that I love to hear your questions!

We older folk will not always be there. The younger ones will grow older, more mature, and will take command of families, churches, and the nation tomorrow.

We need to take their questions seriously today, so that they become able fathers, evangelists, officers, teachers, and leaders tomorrow!

Bye!

We will meet Soon  
over the next set of  
questions!!

Bye!

Our questions  
are not over  
yet. We will  
be back soon  
with more  
questions for  
Dr. P!!
